

# Live In Concert

the  
funniest  
man in  
America ...

# \$20

Come join the Arkansas Ambulance Association for an entertaining evening featuring one of America's top entertainers James Gregory — **The Funniest Man in America**. It's sure to be an evening filled with side splitting humor and stories that most everyone can relate to.

**James Gregory's** show has even been credited with saving lives. When faced with many of the challenges in today's world, a good dose of laughter and an unpretentious look at one's self often helps put life back into perspective. If it is true that laughter is the best medicine, this is the prescription just for you!

**BEEF STEW FOR THE BRAIN** is this year's benefit show for the ArAA Scholarship program. All proceeds go to individuals seeking EMT and paramedic certification.

Make plans now to join us for this special EMS 2009 event. Space is limited so order your tickets today!
